## UPDATE ON THE NEW HOLES AT CABLE HOLLOW!

Even though we had a construction crew of 10, it still took us much longer to complete the new holes than we predicted. But the end result is better than any of us predicted. The three new holes (5, 6 and 13) are world-class, and if you haven't seen them, stop by for a fall walk.

The new green at #5 is behind our new 240-foot-long stone wall (the stones were gathered from the hill behind #18). This green is inspired by hole #16 at Augusta National. At nearly 7,000 square feet, Cable Hollow's #5 will be one of the largest and most exciting greens in Pennsylvania. The tee boxes are just as beautiful, and next year you will be playing an entirely new hole from tee to green!

*Cable's exciting new #5 – one of the largest in PA!*

At #6, we added several new tee boxes, but the big change is the new green and approach. We've moved the green back several yards and removed the punitive green-slope. We also made the green much larger, giving those who dare a good chance to land the green in two. But if you take the risk and miss, you may find yourself in one of the two deep bunkers in the left front...or you may overshoot and hit the new rock wall that backstops the green. You can see all of the risks and rewards from the fairway and, come next year, #6 will give you a lot to think about!

*Construction being finished on the new #6.*

New hole #13 will come into play next year when we retire hole #11. We've heard from many of you that you can't wait to putt on the new #13. The green rests among Pennsylvania's white pine and maple trees, and the green surface contains four large quadrants. Stay out of the woods and hit to the correct quadrant...you will be rewarded. But miss...and you will have a long and interesting putt.

These three new holes will give you and your friends new rounds that will leave you talking and wanting to come back to try again. While there are more changes to come, these new holes will make playing Cable Hollow a brand-new experience!

*The new #13 many of you are looking forward to putting.*

## Restaurant Changing to Winter Hours

Beginning October 31st, the restaurant at Cable Hollow will be open Thursday through Saturday from 11:30am to 8:00pm and Sunday from 11:30am to 7:00pm (closed Monday through Wednesday). Join us by the fireplace all winter for cozy lunches, dinners, and parties!

## NEW PAVILION READY FOR EVENTS IN 2024!

The new pavilion's framework is up! Over the winter we will be finishing the structure with a glass enclosure, heat, and air conditioning.

This will be a place for us to gather after some of our large tournaments, plus we are taking 2024 bookings for weddings, reunions, and other large gatherings.

The pavilion will seat 242 guests at round tables. Our friend Jimmy Coffin just poured a large patio useful for cocktail hour, or just to enjoy the sunset. The pavilion will be ready for event bookings after May 1, 2024.

To book an event contact Joanne Martin, our clubhouse manager, at [gm@cablehollow.com](mailto:gm@cablehollow.com) or 814-757-4765.
